

HEALTHCARE

Using only three products, you would be able to clean the entrance to the patient rooms, showers, bathrooms and windows. A solution offered by Progressive Products LLC and Innu-Science that combines biotechnology, safety, minimal environmental impact and unique performance technology on the market.

Choosing Innu-Science products means:

-  High performance
-  Environmental friendly
-  No surface damaging
-  Cost efficiency
-  High concentration
-  Safety for the hand-users
-  Certification by recognized environmental organisms
